Grp: OUA	8/19/16 Benjamin Burmester	Schedule: No schedule set for next steps. Budget: No budget - budget was removed after deciding not to pursue work with consultant in 2015. Next Steps: Coordinate with future R&R funding to make improvements based on deficiencies noted. Comments: Campus accessibility survey continued summer 2016 by completing survey of accessible parking spaces. This is growing database that looked at building entrances during the summer 2015. Next steps may consider coordination with reworked Persons with Disabilities Committee.
