The week-long Robotics Academy at Auburn University is aimed at rising 7th-10th grade students interested in robotics. Working in teams, students will engage in real-world engineering scenarios that will culminate in a friendly competition on the last day of the academy. The academy will take place on July 22-26, 2013. Registration will be open from March 1, 2013 to May 10th.

Registration for the Robotics Academy is $375. However, there is an early bird discount! If you register before April 22nd, the cost is $325.

For more information check out the Robotics Academy webpage at http://www.auburn.edu/cosam/departments/outreach/programs/robotics_academy/
