

AA Forms

Auburn Abroad forms can be accessed online at:

<http://www.auburn.edu/academic/international/forms/>

Each form serves a special purpose and helps ensure that your credits will transfer, your program is reputable, and you can be reached in case an emergency arises. Please take time to read and complete each form, then submit them to AU Study Abroad. Only after all forms have been received can you be registered for Auburn Abroad! Remember you may need to fill out additional forms depending on your chosen program.
