

~~Happy Halloween~~

Hello all! You are invited to the annual Happy Halloweenie event at my house on the Saturday before Halloween, October 26th. We will provide a fire or two and may carve a few pumpkins.

- * We plan to kick off at about 8 p.m.
- * BYOB -- chips and various munchies will be provided.
- * No children, please, due to the nature and time of party.
- * Plan to stay late--no since in ending a good thing too early!
- * Bring a friend, significant other, or other various victims. (Other departments will be accepted if bearing gifts.)

Most of all, although I realize a few of you are resistant to make-believe attire (you can come as incognito English person) please:

Come in Your Favorite Costume!

Winners of funniest, weirdest, scariest, and sexiest costumes will receive prizes and honorable mentions!

Directions are:

On Glenn going away from AU, turn left at Dean. Directly in front of Kroger, go first left onto Harper Avenue (next to Turtles Music). Take first right onto Village Drive; the house is six or seven down on the right at 346 Village Drive. Just look for the mock graveyard in the front!

Hope to see you all there!
