

# AUSON Application Information

## Application and Application Deadline

- Application deadline for Spring 2013 will be May 1, 2012.
- Applications will be on our website the first week of March 2012.
- **Nursing application will be removed from our website on April 18, 2012.**
- If you are applying to Auburn University you must apply for **Fall 2012**. If you are reapplying to Auburn University you must also have a letter stating you have been readmitted for the requested term. You will be required to take NURS 2020 during the Fall 2012 semester IF you are accepted into the Nursing program. <http://www.auburn.edu/admissions/faqs/admissions.html>
- **Submit your application EARLY.** This will allow adequate time to process the application. AUSON will notify students of admission decision by July 2012.
- **Transfer Students-** You must be accepted to Auburn University at least two weeks prior to Nursing application deadline. This will allow adequate time to receive your Acceptance letter from Auburn University to attach with your Nursing application.

## Pre-requisite/Admission Requirements

The requirements listed below are necessary for consideration for admission. Meeting the minimum requirements does not guarantee admission to the program.

- Applicants must earn a minimum GPA of a 2.5 on all college work attempted. Preference will be given to those with higher GPA's. Admission decisions will be made on **non-adjusted** GPA's.
- Applicants must have successfully completed at least 3 of the 5 science pre-requisite courses listed below and no more than 22 hours left to complete **at the end of Spring 2012** to be eligible to apply.
- **Second Degree** students must have 3 of the 4 **highlighted** sciences and no more than 22 hours left to complete **at the end of Spring 2012** to be eligible to apply:
  - Biology 1020,1021: Principles of Biology with Lab
  - **Chemistry 1030,1031: Fundamentals of Chemistry I with Lab**
  - **Biology 3200: Microbiology with Lab**
  - **Biology 2500: Anatomy and Physiology I with Lab**
  - **Biology 2510: Anatomy and Physiology II with Lab**
- Applicants must complete all PNUR Pre-requisites and NURS 2020 prior to admission to the upper division program. [http://www.auburn.edu/academic/nursing/academics/pnur\\_old\\_new.html](http://www.auburn.edu/academic/nursing/academics/pnur_old_new.html)
- NURS 2020 is primarily online however it is required that you meet in person on August 17 and 18, 2012. You are not eligible to take this course until formally accepted to the Upper Division Nursing.
- Applicants must complete science courses within the last 5 years.
- Applications should be completed and in our office no later than **Tuesday, May 1, 2012 4:45 pm.**
- If you are new to Auburn University or reapplying for admission to Auburn University, please make sure your acceptance letter from Auburn University is attached **with your application** otherwise it will result in your application being returned if not included.
- Application material that is found on the checklist must be sent **with the application**. Information such as transcripts or letters of acceptance sent separate from your application **will not be accepted.**
