AUSON Additional Health Requirements

These are **NOT REQUIRED** in order to apply to the Auburn University School of Nursing. These are required **ONLY** if you are **ACCEPTED** to the Upper Division Courses. We just want to let you know ahead of time in case you would like to begin working on the requirements.

DO NOT SUBMIT THESE MATERIALS UNTIL YOU HAVE RECEIVED THE OFFICIAL AUSON HEALTH FORM. This would be mailed to you in June after you have been formally accepted to our Upper Division.

Diphtheria and Tetanus Toxoid: Booster shot within the past 10 years.

Poliovirus: If student completed the childhood polio vaccine series list date series was completed. If no, or unsure, an adult booster is required.

TB : TB or PPD skin test is required and must remain current throughout the school year. If a negative TB test cannot be provided, a negative Chest X-ray must be provided to the program. This test must be done annually.

Rubella (German Measles): A Rubella IgG Titer (Blood Test) is required and a copy of the lab report must be attached to this form. If blood test shows that the student is not immune, the student must be re-immunized.

RUBEOLA (Measles): A Rubeola IgG Titer (Blood Test) is required and a copy of the lab report must be attached to this form. If blood test shows that the student is not immune, the student must be re-immunized.

MUMPS: A Mumps IgG Titer (Blood Test) is required and a copy of the lab report must be attached to this form. If blood test shows that the student is not immune, the student must be re-immunized.

VARICELLA: A Varicella IgG Titer (Blood Test) is required and a copy of the lab report must be attached to this form. If blood test shows that the student is not immune, the student must be re-immunized.

HEPATITIS B VACCINE: All students must have begun the Hepatitis B vaccine series prior to the start of classes. The series consists of three injections. An initial injection, followed by the second injection one month later, followed by the third injection four months after the second. All students who have already completed the Hepatitis B vaccine series are required to have a Hepatitis B surface antibody titer (Blood Test) to confirm immunity. A copy of the lab report must be attached to this form. For students who are just beginning the Hepatitis B series, a titer is required one month after completion of the series. If the hepatitis B surface antibody titer is negative, a second series of three doses of the Hepatitis B vaccine must begin prior to the start of classes.

CPR CERTIFICATION: The AUSON requires all students to have current CPR certification. There are only two acceptable levels of certification: AHA (American Heart Association) **Healthcare Provider CPR** or Red Cross **Professional Rescuer CPR**. Your CPR card must specifically indicate one of the above certifications.
