Danny Parsons, Ph.D.
Melissa Webb, MBA, Staff
Charlotte Cheatham, B.B.A., Staff

Committee charges:
1. Engage in continuous evaluation and revision of the professionalism assessment practices implemented in 2011. In particular, the committee should recommend how faculty and staff could become more proactive in approaching offenders in an attempt to improve the student’s learning from
the process. Provide the faculty and staff with an overview of the types of professionalism issues encountered as a means of supporting everyone’s involvement in the process.

2. Review ongoing student progress, both academically and professionally (including Milestone exams), and determine necessary interventions and follow-up. Student appeals to academic progression decisions will be heard by this committee. The committee will meet with individual student pharmacists to discuss student performance. The committee will make recommendations to the Associate Dean for Academic and Student Affairs for any action required.

3. The committee is encouraged to identify behaviors associated with academic success, problems interfering with academic success and develop plans to assist student pharmacists both at the individual and group level. Whenever possible, the committee should recommend efforts that allow focused remediation of specific educational deficits that would facilitate on-time graduation.

4. Monitor the use of milestone exams as progression markers to determine the need for a graduation milestone which insures competency with basic skills.

5. Recommends updates to the HSOP web site pertaining to committee’s responsibilities.

6. A yearly report is due October 15 of each calendar year.

### Professional Education Committee (PEC)

**Steering Committee:**

**Membership:**
- Lori Hornsby, Pharm.D., Chair
- Dan Surry, Ed.D., ex-officio
- Kelly Hester, Pharm.D.
- Kristi Kelley, Pharm.D.
- Karen Marlowe, Pharm.D.
- Brad Wright, Pharm.D.
- Emily Armstrong, Pharm.D.
- Haley Phillippe, Pharm.D.
- Salisa Westrick, Ph.D.
- Vishnu Suppiramaniam, Ph.D.
- Rusty Arnold, Ph.D.
- Jack DeRuiter, Ph.D.
- Channing Ford, M.S., Staff
- Lisa Black, Staff

**Description:** The Professional Education Committee’s purpose is to integrate all aspects of curriculum development and improvement by capturing the synergism of groups of individuals working on similar tasks. It is anticipated that through the development of subcommittees and narrowing the focus of their work and deliberateness, quality and timeliness of work can be enhanced. The Steering Committee is the oversight body that oversees the work of the Professional Education Sub-Committees and brings final curricular recommendations to the faculty for consideration. It is the responsibility of the Steering Committee to encourage feedback from all PEC members through the subcommittees prior to their final recommendations to the Steering Committee.

**Purpose:**

1. Design and manage the traditional professional and post graduate education curriculums.
2. Establish educational outcomes and educational requirements (credit and non-credit), allocate curricular time, and identify appropriate learning/teaching method(s).
3. Maintain continuous improvement for all courses utilizing ability-based outcomes assessment data as outlined in the Comprehensive Assessment Plan (CAP).

**Committee charges (applied to all sub-committees as assigned by the Steering Committee):**

1. Complete the HSOP map of the current curriculum by the summer term 2014.
2. Present new Ability Based Outcomes to faculty for approval.
3. With use of the mapping results, develop and implement a plan for the revision of the curriculum which should consider: requirements of new ACPE standards; the need for flexibility; further
integration of disciplinary topics; and necessary content adjustments (unnecessary content and gaps in the curriculum)

5. Review all continuing professional develop programs to be offered by Post Graduate Education. The committee is responsible for approval of these courses and recommending approval by the faculty.
6. A yearly progress report is due October 15 of each calendar year.

Professional Education Subcommittee III

Emily Hailstone, P2  Infirmary

Committee charges:
This committee is responsible for the curricular improvement of experiential educational courses. Note: The committee serves dual purposes: 1) oversight of the academic issues related to the curriculum, 2) advisory to OEL re: IPE, IPPE and APPE operations. The committee should be diligent to separate the functions as well as what is and isn’t referred to PEC.

1. Maintain a continuous curricular improvement process for experiential learning based on assessments of approved ability-based outcomes.
2. Continue coordination between OTLA and PEC III to ensure appropriate assessment of experiential learning. OTLA will provide data from individual courses and annual assessments from Academic and Student Affairs for use in the process. The committee, with assistance from OTLA, must provide feedback to faculty and respective Department Heads regarding how to improve or modify course content, teaching methods (i.e., ensuring that the educational process involves student-centered active learning) and recommend assessment measures as part of the process.
3. Advise OEL regarding aspects for comprehensive training program for all preceptors (full time and affiliate faculty).
4. Enhance the availability of diverse patient care experiences through experiential learning including expansion of international experiential learning opportunities through APPE.
5. Expand IPE to accommodate all students’ participation.
6. Develop and/or improve student evaluation forms/rubrics for IPE experiences.
7. Provide oversight to insure that consistency exists across all IPPE mentors regarding their mentoring of student pharmacists.
8. Address areas of improvement identified by course reviews of experiential learning.
10. Develop global course objective for specific APPE rotation types for mapping purposes.
11. Revise the APPE PCAP grading rubric.
12. A yearly report is due October 15 of each calendar year to PEC Steering.
