AND YOU’LL FEEL GOOD ABOUT IT

THOUSANDS OF AUBURN STUDENT PHARMACISTS WILL WALK ALL OVER YOU
That’s because you will be making a solid contribution to the future of pharmacy education at Auburn University. Space is limited! For just $500, you can purchase a brick with either your name or the name of a loved one, which will be set in the walkway outside the Walker Building. It’s an ideal way to honor the past or present with a connection to the future. Be a part of advancing the Harrison School of Pharmacy, and help pave a path for future generations of pharmacy students.
