

# University Curriculum Committee (UCC)

Thursday, September 17, 2015

---

|   |                               |
|---|-------------------------------|
|  | = Approved                    |
|  | = Approved, pending revisions |
|  | = Tabled / Withdrawn          |

## College of Agriculture

|                           |  |
|---------------------------|--|
| <a href="#">PLPA 4950</a> | Professional Development                 |
| <a href="#">RSOC 5610</a> | Rural Sociology                          |
| <a href="#">RSOC 5640</a> | Sociology of Community Development       |
| <a href="#">TBD-BS</a>    | Applied Biotechnology                    |
| <a href="#">RCDM</a>      | Minor in Rural Community and Development |

## College of Education

|                           |   |
|---------------------------|---|
| <a href="#">RSED 5340</a> | Foundations of Substance Use Counseling |
|---------------------------|---|

## Samuel Ginn College of Engineering

|                           |   |
|---------------------------|---|
| <a href="#">AERO 2200</a> | Aerospace Fundamentals                                  |
| <a href="#">AERO 3110</a> | Aerodynamics I  |
| <a href="#">AERO 3120</a> | Aerodynamics II   |
| <a href="#">AERO 3130</a> | Aerodynamics Laboratory                                 |
| <a href="#">AERO 3220</a> | Aerospace Systems                                       |
| <a href="#">AERO 3230</a> | Flight Dynamics   |
| <a href="#">AERO 3310</a> | Orbital Mechanics                                       |
| <a href="#">AERO 4140</a> | Aerodynamics III  |
| <a href="#">AERO 4730</a> | Space Mission Design I                                  |
| <a href="#">BSEN 5550</a> | Principles of Food Engineering Technology               |
| <a href="#">CSSE 1213</a> | Introduction to Computer Science I                      |
| <a href="#">CSSE 1223</a> | Introduction to Computer Science II                     |
| <a href="#">CSSE 1233</a> | Data Structures   |
| <a href="#">CSSE 2713</a> | Software Construction Fundamentals                      |
| <a href="#">CSSE 3223</a> | Programming Languages and Translation                   |
| <a href="#">CSSE 3243</a> | Discrete Structures                                     |
| <a href="#">CSSE 3273</a> | Algorithms I  |
| <a href="#">CSSE 3283</a> | Algorithms II   |
| <a href="#">CSSE 3303</a> | Computer Organization and Assembly Language Programming |
| <a href="#">CSSE 3323</a> | Computer Architecture                                   |
| <a href="#">CSSE 3333</a> | Operating Systems                                       |
| <a href="#">CSSE 3343</a> | Parallel Systems  |
| <a href="#">CSSE 3353</a> | Computer Networks I                                     |
| <a href="#">CSSE 3363</a> | Computer Networks II                                    |
| <a href="#">CSSE 3373</a> | Wireless and Mobile Networks                            |
| <a href="#">CSSE 3703</a> | Software Engineering I                                  |

|                           |                                      |
|---------------------------|--------------------------------------|
| <a href="#">CSSE 3713</a> | Software Engineering II              |
| <a href="#">CSSE 4003</a> | System Administration                |
| <a href="#">CSSE 4203</a> | Formal Languages                     |
| <a href="#">CSSE 4733</a> | Computer Ethics                      |
| <a href="#">CSSE 5123</a> | Database I                           |
| <a href="#">CSSE 5133</a> | Database II                          |
| <a href="#">CSSE 5203</a> | Developing Web Applications with XML |
| <a href="#">CSSE 5213</a> | Web Application Development with JSP |
| <a href="#">CSSE 5333</a> | Mobile Applications I                |
| <a href="#">CSSE 5343</a> | Mobile Application Development II    |
| <a href="#">TBD</a>       | Bachelor of Computer Science         |

### School of Nursing

|                           |  |
|---------------------------|--|
| <a href="#">NURS 3813</a> | Holistic Nursing Pathophysiology & Health Assessment |
| <a href="#">NURS 3833</a> | Nursing Informatics and Evidence-based Practice      |
| <a href="#">NURS 3843</a> | Formation of Professional Nursing Practice           |
| <a href="#">NURS 4833</a> | Leadership and Management in Professional Nursing    |
| <a href="#">NURS 4843</a> | Transition to Professional Nursing Practice          |
| <a href="#">NURS 4853</a> | Clinical Prevention and Population Health            |
| <a href="#">BS</a>        | RN to BSN  |

### College of Sciences and Mathematics

|                           |  |
|---------------------------|--|
| <a href="#">BIOL 4585</a> | Plankton Biology                             |
| <a href="#">BIOL 5600</a> | Mammalian Physiology (Biomedical Physiology) |

### Office of Provost

|                           |  |
|---------------------------|--|
| <a href="#">GLOB 0100</a> | Foundations of American University Life                                |
| <a href="#">GLOB 0310</a> | English for Academic Purposes I: Integrated Skills                     |
| <a href="#">GLOB 0320</a> | Technology for Academic Purposes                                       |
| <a href="#">GLOB 0410</a> | English for Academic Purposes II: Oral Proficiency for IAP Students    |
| <a href="#">GLOB 0420</a> | English for Academic Purposes II: Writing Proficiency for IAP Students |
| <a href="#">GLOB 0430</a> | English Supplement   |
| <a href="#">GLOB 1010</a> | Collegiate Academic Performance and Expectations                       |
| <a href="#">GLOB 1020</a> | From University to Professional Life                                   |
