

AVSC Department Journal Lists

(Created November 19, 2012; Last updated March 2016)

Business Analytics:

Due to the interdisciplinary nature of business analytics, journals currently in category 4 or 4* of the Association of Business Schools (ABS) rankings will be considered Elite journals and journals currently in category 3 of the Association of Business Schools rankings will be considered Category I journals. Journals in other disciplines will be evaluated by these criteria for Business Analytics.

Supply Chain Management Journals:

Elite Journals:

Decision Sciences
International Journal of Logistics Management
International Journal of Physical Distribution and Logistics Management
Journal of Business Logistics
Journal of Operations Management

Category I:

International Journal of Logistics: Research and Applications

Journal of Information Technology Cases and Applications
Journal of Organizational and End-User Computing
Knowledge Management and E-Learning
Knowledge Management Research and Practice
MISQ Executive
Project Management Journal

* These publications are in the Senior MIS Scholar's Basket. The senior scholars designated these three journals with the five listed as elite journals as the top journals in MIS. The Senior Scholars consist of former editor-in-chiefs, senior editors, and associate editors of major MIS journals.

The information systems faculty reserve the right to approve other journals on a case-by-case basis. Papers accepted by a journal ranked as Category 4* or 4 in the Association of Business Schools Academic Journal Guide (AJG) rankings will automatically be considered to be Elite publications; papers accepted by journals in Category 3 of the AJG will automatically be considered to be Category 1 publications. Other journal outlets will be considered and may be approved after a review by the information systems management faculty holding the rank of Professor.

Academic Research Sources Used for Category Development

Supply Chain Management: Menachof, Gibson, Hanna, and Whiteing (2009), "An Analysis of the Value of Supply Chain Management Periodicals," International Journal of Physical Distribution and Logistics Management, Vol. 39, No. 2.

Operations Management: Barman, Hanna, and LaForge (2001), "Perceived Relevance and Quality of POM Journals: A Decade Later," Journal of Operations Management, Vol. 19.

Aviation Management: Johnson, Hamilton, Gibson, and Hanna (2006), "Usefulness of Collegiate Aviation Publication: What Aviation Educators Say," Collegiate Aviation Review Journal, Vol. 24, No. 1.
