Math Help

Please contact the Math department for information regarding math workshops and tutoring programs. They are located in 221 Parker Hall, or at 334-844-4290.

Study Partners

Study Partners is Auburn’s official peer tutoring program and provides one-on-one and small group tutoring for selected undergraduate core courses. They are located on the 2nd floor of the Ralph Draughon Library in the Learning Commons.

Sunday-Thursday, 2PM-7PM in The Learning Commons (RBD Library 2nd floor)

Appointments are recommended, but walk-ins are accepted on first come, first serve basis.

For more information, call 334-844-5702 or visit www.auburn.edu/studypartners
Students may schedule an appointment online by visiting the Study Partners website or visiting/calling the center when it is open.

Supplemental Instruction (SI)

This program targets traditionally difficult courses. It offers regularly scheduled, collaborative, peer directed review sessions for all entry-level Biology, Chemistry, and History courses. The review sessions are led by undergraduate SI leaders who have previously earned an A in the course and attend your class taking notes to aid them in assisting you. For additional information and an updated Fall 2012 schedule of SI courses, please go to: www.auburn.edu/si or call 334-844-5792.

Miller Writing Center

The English Department has a Writing Center, which houses tutors who are available to work with students enrolled in any University-required core course. Students can see tutors by appointment or walk-in.

Here are the Writing Centers Locations:

RBD Library (second floor, Learning Commons), Monday-Thursday 12PM-9PM, and Sunday 4PM-9PM
