

Learning Community Application Instructions

1. Navigate to <http://www.auburn.edu> in your web browser.
2. Click “AU Access” in the upper right-hand corner of the AU Home Page.

3. Enter your AU User Name (e.g. if your AU email address is “tig1234@auburn.edu,” your User Name is “tig1234”), and password (if you have not done so already go to www.auburn.edu/activate to set up your password). Then click the “Login Now” button. If you do not know your User Name or password, please call the Office of Information Technology HelpDesk at 334.844.4944.

4. Click the “tiger i” tab. Next, scroll down to the “Student Orientation Registration” channel on the right-hand side of the page. Click the “Learning Communities Application” link.

5. Use the drop-down menus to indicate your top three Learning Community preferences. Only Learning Communities for which you qualify will be listed. Learning Communities with “(Quad),” “(Hill),” or “(Village)” notations are for students **who have been guaranteed on-campus housing** and prefer to live in the same residential area with other members of that Learning Community. Learning Communities *without* any additional notation are for students who either plan to live off-campus or plan to live on-campus but do not prefer to live with other members of that Learning Community.

GUARANTEED HOUSING: YOU MUST BE GUARANTEED ON-CAMPUS HOUSING TO BE ELIGIBLE FOR THE “(Quad),” “(Hill),” or “(Village)” OPTIONS. If you do not know whether you have been guaranteed oncampus housing, please email AU Housing at housing@auburn.edu or call 334.844.4580. If we are unable to assign you to live with your Learning Community in your preferred area, then the preferences listed on your housing application will be taken into consideration.

ROOMMATES: If you requested a roommate, he or she must also complete a learning community application selecting a learning community in the same housing area (Village/Quad/Hill) for you to be placed together in learning community housing. You do not have to be in the SAME learning community, just a learning community.
