

**Graduate Student Annual Report**  
**Department of Biological Sciences**  
**Revised July 2004**

Name: \_\_\_\_\_ Major Professor: \_\_\_\_\_ Date: \_\_\_\_\_

Semester and year you began graduate studies:

Degree: \_\_\_\_\_ Anticipated graduation date: \_\_\_\_\_

If graduating in the near future, have you secured a job/position? Yes \_\_\_\_\_ No \_\_\_\_\_

If yes, please indicate position type and location: \_\_\_\_\_

Have you completed your core undergraduate courses (genetics, physics, organic chemistry, calculus)?  
Yes \_\_\_\_\_ No \_\_\_\_\_ If not, which course(s) remain(s) to be taken? \_\_\_\_\_

Date of Graduate School-approval of Plan of Study: \_\_\_\_\_

Date of last thesis/dissertation committee meeting: \_\_\_\_\_

Date qualifying exam completed or planned (Ph.D. students): \_\_\_\_\_

How many semesters of departmental support (GTA/GRA) have you received? \_\_\_\_\_

Please list periods of time (semester, year) when you were supported by grant funds from your major professor or other sources.

Do you wish to be considered for a Graduate Teaching Assistantship for 2004-2005?

If yes, indicate semester(s) you request support: \_\_\_\_\_ Fall Semester \_\_\_\_\_ Spring Semester

List meetings attended, abstracts, and publications during the past year:

List the courses (excluding Research credits) you completed and the grades earned in the past year:

	<u>Course</u>	<u>Grade earned</u>
Fall semester:		

Spring semester:

Summer semester:

Signature of Major Professor: \_\_\_\_\_ Date: \_\_\_\_\_

Please attach a short (1-2 page) summary of your accomplishments during the past year.

Please return this form to the Graduate Program Secretary (Sandra Riddle) **by 13 August 2004.**
