This booklet is a brief summary of certain benefits available as of January 2018. The information contained herein is educational and is not intended as investment, legal, or tax advice. Should there be a conflict with this booklet and the plan documents or applicable insurance policies, the plan documents or insurance policies will govern. Please contact the Benefits Office for the latest detailed benefit information. Auburn University reserves the right to change, modify, amend or terminate any plan benefit at any time.

Auburn University is an Affirmative Action/Equal Opportunity Employer
Revised 10/2017
This is a complex page from a document discussing various health insurance plans and their benefits. The text is dense and contains numerous financial details, eligibility requirements, and administrative procedures. The content includes tables with data on premiums, deductibles, and coverage limits, as well as descriptions of various insurance options, such as health, dental, and vision care. The page also references specific terms like "eligibility," "premiums," and "benefit limits." The document appears to be a guide for individuals considering different insurance plans, with a focus on providing comprehensive coverage for various medical needs.
