FACILITIES MANAGEMENT: CAMPUS OPERATIONAL STATUS

Wednesday, September 11, 2013

BUILDING ISSUES:

- The air conditioning and heat will be turned off on the first floor of Biological Research Facility at midnight tonight until 8:00 a.m. tomorrow, Thursday, September 12, 2013, to replace the bearings on air handler #1 in basement.

- The fire alarms and sprinkler/suppression systems will continue to be disabled in the Alumni Center, Facilities Management Building 5 (paint booth), Hazardous Material Storage, Science Center Lab, South Fisheries, North Fisheries, Hot Water Plant 2, Poultry Science Building, Women Softball Complex, OIT Building and AU Medical Clinic until Friday, September 13, 2013 from 8:00 a.m. until 4:00 p.m. each day, for the semi-annual inspection on range hoods and special hazard systems.

- The fire alarm will remain disabled in the mechanical room of Martin Aquatic Center until Thursday, September 19, 2013 at 4:00 p.m., to disable the smoke detector in the mechanical room.

- The fire alarms in the racquetball courts will remain disabled at the Recreation and Wellness Center until Saturday, September 14, 2013 at 4:00 p.m., to disable and relocate the racquetball court devices.

- The fire alarm will remain disabled in Lowder Hall main foyer area until Friday, September 20, 2013 at 2:00 p.m., to prep walls for renovations.

- The fire alarms and sprinkler/suppression systems will remain disabled in Owen Hall (Dorm 10) and Lupton Hall (Dorm 8) mechanical rooms only, until Wednesday, September 25, 2013 at 3:30 p.m., to re-pipe the mechanical rooms.

- The fire alarm devices in the attic of Upchurch Hall will remain disabled until Monday, September 23, 2013 at 4:00 p.m., while inoperative air handler units are disabled in the attic.

- The fire alarm will remain disabled in Dudley Hall Suite 221 until Tuesday, October 8, 2013 at 8:00 a.m., for renovations in suite 221.
