

Administrative & Professional Assembly

Biographical Information

Name: Timothy Jones

Number of years at Auburn University: 2

Current position: IT Specialist V - User Services

Brief statement of current responsibilities: I am primary support for the Banner Document Management Suite and Microsoft Office products. I am an administrator for the imaging system and serve as a project lead with various departments and staff for identifying imaging solutions and streamlining business practices. Currently, I am supporting the email migration and the Microsoft Exchange environment by facilitating project information between campus IT providers, users, and IT project managers.

Previous Auburn University experience: Prior to working at Auburn I was a software developer for Hewlett Packard and was responsible for developing and maintaining an imaging system. I then came to Auburn University as an IT Specialist IV supporting the Banner integrated imaging system, Xtender.

Description of prior service on A&P Assembly or committees:

Appointed to A&P Assembly 2011

Campus Address & Phone: 300 Lem Morrison Drive, Auburn, AL 36849
(334) 844-9997
