Biographical Information

Name: Jane Hoehaver

Number of years at Auburn University: 2

Current position: Superintendent of Plant Science Research Center in College of Agriculture within the Alabama Agriculture Experiment Station
<http://www.ag.auburn.edu/adm/comm/agillustrated/summer05/roots.html>

Brief statement of current responsibilities: As Superintendent of Plant Science Research Jane maintains the entire building and its greenhouses. She assists anyone who needs greenhouse space for research. All operational things (cleaning, watering, repairing, fertilizing, fencing, maintenance on equipment and keeping supplies stocked) fall under her job description. In addition to this, she is pursuing a M.S. degree in the Department of Horticulture.

Previous Auburn University experience: She received her degree in Horticulture from AU in December 2004.

Description of prior service on A&P Assembly or committees: She served as A&P Place 15 Representative from 2006-2007.
