

Resolution to Provide A & P Survey Results to the Board of Trustees and the Presidential Search Committee

May 16, 2006

Whereas, Auburn University's Board of Trustees has proceeded in the search for Auburn's next president, and

Whereas, a search committee has been named for the purpose of identifying candidates to be Auburn's next president, and

Whereas, the Administrative and Professional Assembly believes that all stakeholders should have an opportunity to engage in and have a voice in this process, and

Whereas, the search committee has requested broad-based input from Auburn University constituents, and

Whereas, the Assembly has conducted a survey of its members in order to identify desired characteristics of the candidates to be Auburn's next president,

Therefore, be it resolved that the Administrative and Professional Assembly presents the members of the Board of Trustees and the AU Presidential Search Committee the compiled results of said survey, identifying desired characteristics, qualifications, and potential candidates.

Therefore, be it also resolved that the Administrative and Professional Assembly expresses its desire to work with the Board of Trustees and the AU Presidential Search Committee in a collaborative and constructive manner in order to achieve the goal of obtaining the most qualified candidate to serve in the capacity of President of Auburn University.
