

Section 11. Core Curriculum and General Education Committee: The Core Curriculum and General Education Committee shall consist of the Provost or designee as chair, and faculty membership, to be distributed as follows: two from the College of Liberal Arts, each representing different areas of the core curriculum; two from the College of Sciences and Mathematics, one representing Mathematics and one representing the natural sciences; one from each of the remaining colleges or schools, excluding the Graduate School; and one from the University Libraries. The Director of Assessment shall serve as a non-voting, *ex officio* member of the committee. The committee shall have the responsibilities of recommending goals for general education and the Core Curriculum and monitoring the University's effectiveness in fostering student achievement of these goals. Toward this end, the committee shall oversee the assessment of student learning in the Core, including the evaluation of courses, and may recommend to the University Senate changes in the Core Curriculum and general education.
