Auburn University Job Description

Job Title: Spec, Instructional Tech
Job Code: AC01
FLSA status: Exempt

Essential Functions

1. Consults with faculty to plan and design instructional technology and media applications which may include accommodations for individuals with mobility, hearing, visual, and/or learning impairments.
2. Designs, installs, and tests new instructional technology solutions, coordinating with Facilities, OIT or other departments as needed.
3. Trains and supports faculty or other users of instructional tools or equipment, and maintains user documentation.
4. Promotes use of instructional technology by maintaining knowledge of best practices in instructional technology and by providing training and information on instructional technology methods and trends to others.
5. May specialize in a single or primary technology, such as multimedia/technology enhanced classrooms, including integrated multimedia, online, audio, cable TV, projection, photographic, captioning, videoconferencing capabilities, or assistive technology for persons with disabilities.
6. Creates and maintains project plans and budgets for large-scale instructional technology initiatives.
7. Develops and writes programs relating to the use of computer-based instructional technology and related systems.
8. May assist with mounting, hookup, adjustment, operation, and physical maintenance of instructional technology equipment.
9. May provide general IT user support to assigned area.

Supervisory Responsibility

May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
