Auburn University Job Description

Job Title: Dir, Hlth Promo&Well Initiative
Job Code: AE34
LSA status: Exempt

Job Summary
Directs and leads the design, delivery, and evaluation of health education programming, as well as provides health consultations and referral services to Auburn University students.

Essential Functions

1. Works in conjunction with other departments across campus including Campus Recreation, the AU Medical Clinic, Student Counseling Services, Health Behavioral and Assessment Center, and Athletics to offer a comprehensive and integrated approach to student health and wellness.
2. Collaborates with Student Counseling Services and the AU Medical Clinic to provide consultation to University administrators concerning counseling, health, medical and related issues of importance to the Auburn University community.
3. Manages research projects and oversees programs to better understand student health and wellness issues; provides data reports, as needed, to assist in the assessment of services.
4. Develops and manages the Health Promotions and Wellness Initiatives budget, as well as pursues grants and other funding sources necessary to advance health initiatives in critical areas.
5. Participates in groups and committees across campus including the Threat Assessment Team.

Supervisory Responsibility

Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
