Job Title: Dir, Recreation Programs  
Job Code: AE65  
FLSA status: Exempt  
Job Family: No Family  
Grade 36: $59,700 - $99,600

Job Summary
Plans, develops, and implements comprehensive recreational and wellness programs that meet the needs of Auburn University students, employees, and family members.

Essential Functions

1. Directs and leads multiple campus recreational, fitness, and wellness programs and services, ensuring compliance with safety, risk management, and liability policies and procedures and following generally accepted recreational principles.

2. Supervises the planning, development, and execution of comprehensive fitness and wellness programs to include programming, physiological assessments, personal training, nutritional programming, etc. for students, faculty, and staff of Auburn University.

3. Supervises the planning, development, and execution of intramural and club sports programs to include overseeing the training of a student staff to administer both an effective intramural and club sports program.

4. Supervises the planning, development, and execution of a comprehensive outdoor recreation program to include overseeing student staff to lead trips, organize and lead adventure training, and operate the climbing wall.

5. Oversees the development of a sports officiating association to provide effective officiating and game management for intramural and club sports.

6. Directs the implementation of an effective marketing program that provides information on all recreational programs, manages the departmental website, and coordinates the use of social media to promote Campus Recreation activities.

7. Develops an effective and efficient assessment program for all fitness and wellness programs, ensuring quality control and continuous improvement.

8. Provides leadership and direction for the department on assessment and strategic planning.

9. Develops and manages the departmental budget for assigned programs.

10. Directs the development of strategic long- and short-term goals for assigned areas.

Supervisory Responsibility
Supervises others with full supervisory responsibility.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
