## JOB FAMILY AND FUNCTION

Job Family:	Production & Skilled Trades
Job Function:	Access Control
EEO Position Group	66A - Skilled Craft

## JOB SUMMARY

Under direct supervision, performs basic level maintenance on mechanical access control systems throughout the University. Responsible for the installation, repair, and modification of all mechanical access and locking system components along with associated door hardware including, but not limited to, door closers, exit devices, cores, and keys.

## RESPONSIBILITIES

- Assists with gaining access to malfunctioning locks using locksmith tools and skills while ensuring minimal property damage. Removes broken keys and foreign objects from locks, lubricates and tests locks as required.
- Performs routine selection of key and core blanks; fabricates keys and cores to code; and tests, installs, adds to inventory, or processes keys or cores for issue.
- Assists with installing, troubleshooting, repairing, modifying, and maintaining door closing devices, electromechanical hardware, various locking devices, and exit and panic devices. Identifies correct function, model, and trim for installation or replacement.
- Performs at a novice level understanding of master keying systems. Assists in maintaining key control records of cores, keys, codes, combinations, and locations.
- Will be responsible for meeting and maintaining training and certification requirements as outlined by the Auburn University Facilities Management Policy: "Training, Education, and Certification Requirements for Mechanical and Electrical Trades Personnel."
- May be required to serve in an on-call status and remain work-ready when scheduled for an on-call period or rotation. Work-ready status requires an employee to return to the worksite within forty-five minutes while being physically and mentally unimpaired and fit for duty, able to safely perform all essential job functions with no risk to self, coworkers, students, public, or property.
- May perform other related duties as assigned.

## SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
----------------------------	---
