Auburn University Job Description

Job Title: Sports Dietician
Job Code: BB17
FLSA status: Exempt

Essential Functions

1. Directs and implements student athlete nutrition programs to include, but not limited to, weight management, sport-specific nutrition plans, hydration protocols, and individual nutritional assessment.
2. Provides nutrition assessment, counseling, and education to student athletes and coaches.
3. Coordinates and implements dietary programs to assist in the management and treatment of nutrition-related medical conditions.
4. Directs, oversees, and advises staff on menu management and meal scheduling, including food selection and preparation, for home and away competitions.
5. Monitors and evaluates the use of nutrition supplements by student athletes.
6. Coordinates and oversees the student volunteer sports nutrition program.
7. Advises coaches and staff on contracts and/or sponsorships relating to dietary/nutritional products and services.
8. Represents the Athletic department through participation in dietary and nutrition-related committees, associations, and meetings.
9. Complies with all applicable National Collegiate Athletic Association (NCAA) and Southeastern Conference (SEC) regulations in the performance of job duties.

Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
