
Auburn University Job Description

Job Title:	Senior Athletic Trainer	Job Family:	No Family
Job Code:	BB19	Grade 34:	\$45,100 - \$75,100
FLSA status:	Exempt		

Job Summary

Assists the Director of Sports Medicine in supervising and mentoring certified athletic trainers associated with the athletic training program for Auburn University's Athletics Programs.

Essential Functions

1. Supervises practices including preparing athletes for practice, workouts, and games.
2. Oversees the day to day operations of the athletic training room and assists the Director of Sports Medicine in his absence.
3. Assists in pre and post season physical examinations and physical fitness screenings, plus report all findings to the team physician.
4. Assist with managing budgeting and billing activities.
5. Provide first aid and recovery healthcare to student athletes including evaluation of injuries, treatment, and referrals to the Team Physician or the appropriate physician.
6. Counsels and educates student athletes regarding athletic injuries, treatment, and rehabilitation as well as performs a variety of administrative functions related to providing healthcare to the student athletes.
7. Assists with organization, input, compilation, and maintenance of all student athlete medical records and conducts chart audits of medical records.
8. Assists coaches with organizing and implementing injury prevention and conditioning programs for student athletes, as well as assisting the Sports Dietitian with all nutritional concerns.
9. Assists with the supervision and management of the Sports Medicine program.
10. Complies with all applicable National Collegiate Athletic Association (NCAA) and Southeastern Conference (SEC) regulations in the performance of job duties.

Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
