Auburn University Job Description

Job Title: Psychologist-Athletics
Job Code: BB33
FLSA status: Exempt

Job Summary
Provides assessment, diagnosis, treatment planning, psychotherapy, and other mental health services to Athletic Department staff, student athletes, and student athletes families.

Essential Functions

1. Provides psychological services as related to performance improvement of student athletes, including services focused on injuries, rehabilitation, communication, team building, and career transition.

2. Conducts psychological assessments and formulates treatment plans in the assessment and diagnosis of student athletes; provides a variety of mental health services to Athletic Department student athletes, staff, and family members.

3. Assesses and intervenes in crisis situations; conducts outreach referrals regarding mental health issues.

4. Documents, reports, and maintains confidential records in compliance with all applicable laws and regulations.

5. Presents educational seminars and classes to Athletic Department student athletes, staff, and family members.

6. Complies with all applicable National Collegiate Athletic Association (NCAA) and Southeastern Conference (SEC) regulations in the performance of job duties.

Supervisory Responsibility
May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
