Auburn University Job Description

Job Title: Mental Health Counselor, Ath
Job Code: BB34
FLSA status: Exempt

Job Summary
Responsible for assessing, formulating treatment plans, and treating common psychological issues such as anxiety, depression, eating disorders, substance abuse, grief, trauma, personality disorders, transitions, and sports performance issues. Provides various psychoeducational presentations to student-athletes and Athletic Department staff.

Essential Functions

1. Under the direction of the Director of Counseling and Sport Psychology, responsible for assessing, formulating treatment plans, and treating common psychological issues such as anxiety, depression, eating disorders, substance abuse, grief, trauma, personality disorders, transitions, and sports performance issues.
2. Provides mental performance consultation and program development for various coaches and teams to enhance overall team performance.
3. Conducts psychoeducational programs for student-athletes, coaching staff, and administration and program development on mental health and sport performance issues. Examples include orientation sessions for new student-athletes and parents, suicide prevention training, injury support groups, and emergency support services to the athletics community.
4. Promotes a better understanding of mental health concerns within the college student-athlete population by making presentations to students, faculty, and staff as well as community groups and organizations, as needed.
5. Assesses and intervenes in crisis situations.
6. Makes referrals to and collaborates with athletic department staff, on-campus resources, off-campus therapists, clinics, or hospitals, when appropriate.
7. Documents, reports, and maintains confidential records in compliance with all applicable laws and regulations.
8. Represents the Auburn University athletic department by actively engaging in different committees and student organizations on and off-campus.
9. Complies with all applicable National Collegiate Athletic Association (NCAA) and Southeastern Conference (SEC) regulations in the performance of job duties.

Supervisory Responsibility
May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
