Auburn University Job Description

Job Title: Mgr, Mental Health
Job Code: CA10
FLSA status: Exempt

Job Summary
Provides direction and supervision for the mental health related program(s).

Essential Functions
1. Participates in and serves as chair in collateral meetings for clinical and residential staff treatment teams.
2. Develops assessment protocols designed to measure program effectiveness in decreasing recidivism rates of program participants and the determinants of that decreased recidivism.
3. Oversees program development and training, assessing the extent to which services to be provided are consistent with the current state of knowledge in the field.
4. Oversees the clinical activity of Mental Health Specialists and Clinical Psychology graduate students.
5. Provides clinical services as assigned and relevant to specific juvenile offenders and their families.
6. Facilitates orientation and training for program participants.
7. Gathers, analyzes, and compiles data for reports, correspondence, and general information.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
