Auburn University Job Description

Job Title: Dir, Property Services
Job Code: ED05
FLSA status: Exempt

Job Summary
Directs the oversight and supervision of the Auburn University property and inventory program for state and federal equipment.

Essential Functions

1. Directs the training and scheduling of staff for all inventory control functions, verification audits, transfer and coordination with Surplus Property to ensure appropriate reporting and tracking for disposals.

2. Directs and coordinates all inventory reconciliations, data entry of inventory information, maintenance of accurate inventory reporting for distribution and identification of property for inclusion in department inventories, appraisals, and audits.

3. Responsible for overseeing the Banner Fixed asset system, ensuring system integrity, and coordinates with the Controller's office to ensure accurate and compliant accounting for capital, sensitive and research equipment according to applicable federal and state regulations, generally accepted accounting principles and University policy.

4. Functions as a liaison with deans, directors and designated property managers within academic and administrative departments, ensuring that policies and procedures are communicated and followed.

5. Responsible for policy development, initiating policy changes and policy maintenance related to property matters, as well as the institution of best practices related to property management.

Supervisory Responsibility
Supervises others with full supervisory responsibility.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
