Auburn University Job Description

Job Title: Mgr, Materials - AMSTI
Job Code: ED15
FLSA status: Exempt

Job Code: ED15
Grade 32: $35,000 - $58,400

Job Summary
Manages and oversees the operation of the Alabama Math, Science, and Technology Initiative (AMSTI) materials distribution and refurbishment center to include the refurbishment process, pick up and delivery of kit modules, inventory control, oversight of budget, shipping and handling, and personnel management.

Essential Functions
1. Manages the purchasing, inventorying, scheduling, and distribution (delivery and return) of science and mathematics modules and materials.
2. Directs and oversees the daily operation of the warehouses to include work schedules of assigned employees and monitoring of the budget.
3. Constructs, refurbishes and customizes kits and emergency materials based on AMSTI standards.
4. Organizes and maintains the materials center to ensure efficient use of space and storage of materials.
5. Maintains a database of teachers who are participants in AMSTI, and materials that are used in AMSTI, as well as, a schedule for the distribution and rotation of AMSTI modules to schools and teachers.
6. Provides accurate and timely reports to the AMSTI director and State Department of Education regarding the teacher and materials database, materials costs, distribution schedules, employee assignments and labor hours.
7. Provides technical support including user support, implementation, and maintenance of site technology.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
