#### Job Summary

Assists in planning, promoting, and implementing emergency preparedness plans for the university and university facilities.

#### Essential Functions

1. Creates, reviews, revises, and updates emergency plans for the university and for university facilities.
2. Assists with logistical issues within the department as assigned. Assists with logistic issues for exercises, training sessions, and other department objectives. Maintains logistical records for equipment as assigned.
3. Assists with training and exercises for the university as assigned by supervisor in an effort to evaluate emergency plans and procedures. Participates and assists in the evaluation of fire drills, presentations, displays and more. Ensures training and exercises are consistent with emergency plans and university policies and procedures.
4. Contributes to Campus Safety and Security programs, goals, and objectives related to economy, quality, customer satisfaction, and/or image through teamwork, cooperation, suggestions, and personal productivity and conduct.
5. Performs other job related duties as assigned.

#### Supervisory Responsibility

May supervise employees but supervision is not the main focus of the job.

*The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.*
