Auburn University Job Description

Job Title: Tech, Aviation Maint
Job Code: EG06
FLSA status: Non-exempt

Job Summary
Provides general and preventative maintenance on University owned aircraft as well as other aircrafts.

Essential Functions
1. Inspects university aircraft by performing very detailed inspections and preventive mechanical maintenance.
2. Diagnoses and repairs university aircraft as needed.
3. Services university aircraft prior to flight departures.
4. Maintains proper and updated records required by the University and Federal Aviation Authority regulations.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
