Auburn University Job Description

Job Title: Pilot
Job Code: EG07
FLSA status: Exempt

Job Summary
Pilots University aircraft to provide transportation for official University business.

Essential Functions
1. Level I serves as a co-pilot/first officer for University aircraft flights by assisting the captain with passenger safety, comfort, and efficient operation of the University aircraft.
2. Level II and III serves as Pilot-in-Command of jet aircraft and responsible for passenger safety, comfort, and efficient operation of University aircraft.
3. Preflights aircraft and plans flight in accordance with Federal directives.
4. Reviews current policies governing the safe operation of University aircraft and suggests alternate policies to enhance safety.
5. Performs weekly inspection to assess airworthiness of aircraft, cleans all portions of the aircraft interior and exterior as needed, and restocks all consumable items in aircraft.
6. Reviews industry and Federal guidelines for issues that impact University's aircraft operations and prepares and maintains records required for compliance.
7. Ensures all charts and approach procedure information is current and available for that flight.
8. Cleans interior and exterior aircraft and stocks consumables for flights.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
