Auburn University Job Description

Job Title: Flight Instructor, Asst Chief
Job Code: EG08
FLSA status: Exempt

Job Summary
Assists the Chief Flight Instructor in leading and supervising the Flight Education organization in the conduct of pilot courses, which are integral to the Professional Flight Management degree program.

Essential Functions
1. Assists in maintaining safety as a top priority; assures adherence to and maintenance of safety standards during day-to-day operations.
2. Assists in prioritizing the allocation of resources, both personnel and equipment, to maximize the safe, efficient, and effective conduct of all assigned academic courses.
3. Assists in the effective leadership and supervision of the flight instructor cadre, assigned staff, and students to achieve standardized instruction and uniform adherence to established educational goals.
4. Assists in maintaining pilot school documentation and academic records in accordance with Federal Aviation Administration, Veterans’ Administration and Auburn university policy and directives.
5. Assists the Chief Flight Instructor in managing the Flight Education Directorate budget.
6. Assists with planning related to equipment acquisition, curriculum development and program strategy.
7. Coordinates as directed with the Federal Aviation Administrator's Flight Standards District Office on any matters affecting program certification and regulatory compliance.
8. Coordinates as directed with airport staff on safety and operational issues.
9. Assists in overseeing the maintenance of all assigned university aircraft.
10. Assists in maintaining full compliance with all associated federal, state, and municipal regulations.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
