
Auburn University Job Description

Job Title:	Flight Instructor	Job Family:	No Family
Job Code:	EG12	Grade 33:	\$39,300 - \$65,500
FLSA status:	Non-exempt		

Job Summary

Provides flight training for AU students pursuing Aviation Management or Professional Flight degrees, as well as other interested AU students in other disciplines.

Essential Functions

1. Promotes and instills the safety culture of AU Flight Education by adhering to all prescribed policies and procedures, bringing any safety-related issues to the attention of the Chief Instructor, and working to instill a culture of safety in all their students.
2. Ensures each assigned student is scheduled in accordance with the student's flight training schedule on the days and time blocks established. Schedules assigned students to make up any missed lessons, or to accommodate additional availability the student may have.
3. Conducts instruction in accordance with all AU Professional Flight and FAA practices, procedures, and guidance.

Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
