Auburn University Job Description

Job Title: Flight Scheduler

Job Code: EG19

FLSA status: Non-exempt

Job Summary
Coordinates Professional Flight training operations specifically related to student, instructor, training, and other administrative resource scheduling, for FAA pilot certifications and ratings, flight course enrollments, and administrative responsibilities.

Essential Functions

1. Creates and maintains a master flight training schedule throughout each university semester and those periods between semesters. Maximizes flight instructor and aircraft resources as students progress through flight training in pursuit of FAA certifications/ratings.
2. Coordinates evaluation and testing events for all flight courses by coordinating training resources and evaluators with students.
3. Coordinates with Flight Instructors, Assistant Chief Flight Instructors, and Chief Flight Instructor to adjust flight schedules as students progress in the curriculum in real-time and in future planning, using the flight scheduling software and Excel.
4. Responsible for work schedules, new employee training, and advising, when necessary. Coordinates with students, Flight Instructors, and Assistant Chiefs to maximize resources when accommodating absence notifications.
5. Advises students, parents, and CFI’s on standard scheduling, as well as administrative policies and procedures, via telephone, email, or in-person.
6. Performs other related duties as assigned.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
