Auburn University Job Description

Job Title: Dir, Ag Land & Resource Mngt
Job Code: GA02
FLSA status: Exempt

Job Family: No Family
Grade 37: $68,700 - $114,500

Job Summary
Directs the daily operations for the Agriculture Heritage Park, AAES Land and Facilities Management, and Alumni Relations for the College of Agriculture.

Essential Functions

1. Manages land and facilities resources in order to provide an accurate inventory of capital investments for on campus and statewide Agriculture and AAES lands.
2. Prepares departmental budget and administrative reports and analyzes and interprets financial data.
3. Oversees the Ag and AAES Land and Facilities Management and Federal Excess property and coordinates with employees, faculty, and University units to implement strategic programs and projects pertaining to Ag, AAES, and COAG.
4. Oversees strategic programming, forecasting, and planning for the daily operations of Ag and AAES Land and Facilities Management; Alumni Relations; and Ag Heritage Park.
5. Coordinates marketing and promotional items and programs to promote the Ag Heritage Park.
6. Oversees various alumni/fundraising events and communicates with alumni, corporations, and donors to raise funds for the development of the park.
7. Serves as representative to Auburn University’s General Council; liaison between COAG and Facilities Management and represents AAES/COAG on various committees.

Supervisory Responsibility
Supervises others with full supervisory responsibility.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
