Auburn University Job Description

Job Title: Canine Instructor
Job Code: HA05
FLSA status: Non-Exempt/Exempt

Job Summary
Provides assistance in the Canine Performance Sciences Program, including canine handling and training.

Essential Functions
1. Trains detector dogs for a variety of applications on novel odors.
2. Assists in the development, modification, and execution of training methods to meet specific project requirements.
3. Provides training assessment reports and status updates; assists in short and long-term training planning activities.
4. Works in conjunction with veterinary staff on canine medical issues.
5. Assists in the overall management of facilities and equipment utilized by the program.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
