Auburn University Job Description

Job Title: Officer, Tech Transfer
Job Code: HC03
FLSA status: Exempt

Job Summary
Provides assistance in and services for the transfer and control of University owned technology and Intellectual Property (IP).

Essential Functions
1. Identifies and assesses new technology commercialization opportunities arising from Auburn to include assessing commercial potential and suitability for patent or other Intellectual Property protection.
2. Negotiates, prepares, updates, reviews, and monitors license agreements.
3. Files and monitors patent, trademark, and copyright applications/documentation for protection of University IP.
4. Develops and implements marketing strategies for technologies.
5. Provides support to licensees of University technology.
6. Reviews, negotiates and approves material transfer, confidentiality, teaming, collaborative research, and other IP related agreements.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
