Auburn University Job Description

Job Title: Dir, Institutional Rsch&Asses

Job Code: HC18

FLSA status: Exempt

Job Summary
Directs and oversees the Office of Institutional Research and Assessment to provide an effective analytical framework for institutional planning and performance improvement.

Essential Functions

1. Directs Auburn University's institution research, internal analysis, and self assessment activities and promotes the broad use of research-based planning, evaluation, and improvement processes.
2. Oversees studies, surveys, and analyses designed to provide a research-based framework for institutional research.
3. Oversees day-to-day operations of office to include establishing priorities, directing multiple projects, monitoring effectiveness and productivity, and communicating results.
4. Advises and assists others in planning, implementing, and reporting for the purpose of evaluation and improvement efforts.
5. Sets and implements the overall goals, philosophy, and strategy for the office regarding management information, data accuracy and consistency, and department performance and efficiency.
6. Serves as liaison for routine reporting with the Commission on Colleges of SACS and serves a peer evaluator for other universities that belong to SACS.

Supervisory Responsibility
Supervises others with full supervisory responsibility.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
