
Auburn University Job Description

Job Title:	Analyst, Assessment	Level I	Grade 31 \$30,700 - \$51,100
Job Code:	HC34	Level II	Grade 32 \$34,300 - \$57,300
FLSA status:	Exempt	Level III	Grade 34 \$44,300 - \$73,700

Job Summary

Researches and provides analytical data and information about University programs/activities and unit based assessments.

Essential Functions

1. Retrieves and analyzes information to support both regular and ad hoc studies relating to programs and unit-level planning, assessments, and evaluations.
2. Compiles and maintains data to support planning and program execution.
3. Assists in the selection, administration, interpretation and use of institutional assessments related to student learning and the learning environment.
4. Provides expertise to internal and external audiences by keeping abreast of scholarship and developments in institutional effectiveness, particularly with reference to the assessment of student learning.
5. Assist with projects related to the university and/or its operating environment.

Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.

Auburn University Job Description

Job Family Levels

Level	Responsibility	Knowledge	Education and Experience*
I	Under immediate supervision, performs standard tasks using established methods, principles, concepts and procedures related to a specialized field. Judgments are made on routine matters of relatively small impact.	Knows fundamental concepts, practices and procedures of particular field of specialization.	Bachelors degree in discipline appropriate to position with no experience.
II	Under close supervision, performs varied duties and assignments involving some judgment. Resolves routine questions or problems, referring only complex issues to higher level. Some evaluation, originality and ingenuity required.	Knows and applies fundamental concepts, practices, and procedures of particular field of specialization, with awareness of related fields.	Bachelors degree in discipline appropriate to position plus 2 years experience. Experience must include at least 2 years at the preceding level or equivalent.
III	Under minimal supervision, performs complex assignments and fulfills broad responsibilities where required outcomes are defined, but methods and procedures may vary based on professional judgment or precedent. Considerable latitude for unreviewed action. Confers with supervisor on unusual matters. Coordinates the work of others on projects and may assign work to and assist less experienced professionals or support staff. May act in an advisory capacity to managers or faculty.	Possesses and applies a broad knowledge of principles, practices and procedures of a particular field of specialization to the completion of difficult assignments. Also possesses knowledge of related fields and areas of operation which affect, or are affected by, own area.	Bachelors degree in discipline appropriate to position plus 4 years experience. Experience must include at least 2 years at the preceding level or equivalent.

* See the "Minimum Required Education and Experience" section of the job description for any substitutions that may be allowed for education and experience.
