Job Summary

Coordinates activities involved with the communication and marketing of Auburn University research programs and priorities, including Federal internship initiatives.

Essential Functions

1. Serves as a liaison to the Office of Communication and Marketing and other campus communication groups in communicating and promoting Auburn University research programs and priorities.
2. Drafts news releases, fact sheets, white papers, and articles for web sites, external newsletters, and internal communications; researches and develops web site content.
3. Develops and edits scholarly articles, reports, and publications for research and research-related initiatives.
4. Identifies Federal internship program opportunities and collaborates with appropriate individuals and groups to promote those opportunities across the campus.
5. Coordinates the development and preparation of informational materials relevant to Federal internship programs, including updating websites, creating brochures, press releases, or newsletters.
6. Serves as a Federal internship information clearing house for interested individuals.
7. Fosters relationships and communications with Federal agency staffers and the news media regarding internship programs; collaborates with Federal staffers in placing individuals in internship programs.
8. Performs other research and Federal program duties as assigned.

Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.

Auburn University Job Description

Job Family Levels

Level	Responsibility	Knowledge	Education and Experience*
I	Under immediate supervision, performs standard tasks using established methods, principles, concepts and procedures related to a specialized field. Judgments are made on routine matters of relatively small impact.	Knows fundamental concepts, practices and procedures of particular field of specialization.	Bachelors degree in discipline appropriate to position with no experience.
II	Under close supervision, performs varied duties and assignments involving some judgment. Resolves routine questions or problems, referring only complex issues to higher level. Some evaluation, originality and ingenuity required.	Knows and applies fundamental concepts, practices, and procedures of particular field of specialization, with awareness of related fields.	Bachelors degree in discipline appropriate to position plus 2 years experience. Experience must include at least 2 years at the preceding level or equivalent.
III	Under minimal supervision, performs complex assignments and fulfills broad responsibilities where required outcomes are defined, but methods and procedures may vary based on professional judgment or precedent. Considerable latitude for unreviewed action. Confers with supervisor on unusual matters. Coordinates the work of others on projects and may assign work to and assist less experienced professionals or support staff. May act in an advisory capacity to managers or faculty.	Possesses and applies a broad knowledge of principles, practices and procedures of a particular field of specialization to the completion of difficult assignments. Also possesses knowledge of related fields and areas of operation which affect, or are affected by, own area.	Bachelors degree in discipline appropriate to position plus 4 years experience. Experience must include at least 2 years at the preceding level or equivalent.

* See the "Minimum Required Education and Experience" section of the job description for any substitutions that may be allowed for education and experience.
