Auburn University Job Description

Job Title: Mgr, Farm
Job Code: IA15
FLSA status: Exempt

Job Summary
Manages the care of assigned animals and provides routine maintenance to equipment, facilities, and land through self and others.

Essential Functions
1. Manages and participates in the daily operations and maintenance of an animal care and holding complex for a variety of large animal species that supports veterinary medicine teaching, research and treatment programs.
2. Informs supervisor or department head of work progress, present and potential problems, and makes suggestions for new or improved ways of addressing problems.
3. Assists in the preparation planning and execution of special events and activities.
4. Provides technical and mechanical assistance in the maintenance of fleet equipment and schedules annual equipment maintenance.
5. Inspects, records maintenance of, and advises on the management and care of lands, facilities pastures and animals.
6. Assists the director in planning and deciding protocols pertaining to facilities, equipment and supplies, animal health and care operations, and employees.
7. Performs other related duties as assigned.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
