Auburn University Job Description

Job Title: Tech, Plasma
Job Code: IC09
FLSA status: Non-exempt

Level I Grade 27 $20,300 - $33,800
Level II Grade 28 $22,300 - $37,200
Level III Grade 29 $25,000 - $41,700
Level IV Grade 30 $28,000 - $46,700

Job Summary
Provides technical support for plasma collection activities and equipment.

Essential Functions
1. Prepares for and performs plasma extraction duties on animals.
2. Complies with federal, state, local, and university regulations related to quality of product, employee and donor safety and to the proper performance of day-to-day activities.
3. Operates, maintains, calibrates, and performs trouble-shooting of extraction and support machines and equipment.
4. Installs, primes, and disconnects disposable sets on Auto-C machines.
5. Originates, maintains, and reviews for completeness the accuracy of records, in accordance with good manufacturing practice (cGMP).
6. Orders and maintains inventory of materials, supplies, and equipment.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.

Auburn University Job Description

Minimum Required Education and Experience

Level I  High school diploma or equivalent.
Level II  High school diploma or equivalent plus 1 year of relevant experience.
Level III High school diploma or equivalent plus 4 years of relevant experience.
Level IV  High school diploma or equivalent plus 6 years of relevant experience.

Focus of Education
High School Diploma or equivalent

Focus of Experience
Experience in health care practices with an emphasis on plasma techniques

Substitutions allowed for Education:
Indicated education is required; no substitutions allowed.

Substitutions allowed for Experience:
When a candidate has the required education, but lacks the required experience, they may normally apply additional appropriate education toward the experience requirement, at a rate of one (1) year relevant education per year of required experience.

Minimum Required Knowledge

Certification or Licensure Requirements:
None Required.

Physical Requirements/ADA

Occasional and/or light lifting required. Limited exposure to elements such as heat, cold, noise, dust, dirt, chemicals, etc., but none to the point of being disagreeable. May involve minor safety hazards where likely result would be cuts, bruises, etc.

Routine deadlines; usually sufficient lead time; variance in work volume seasonal and predictable; priorities can be anticipated; some interruptions are present; involves occasional exposure to demands and pressures from persons other than immediate supervisor.

Job frequently requires standing, walking, reaching, hearing, handling objects with hands, and lifting up to 10 pounds.

Job occasionally requires sitting, stooping/kneeling/crouching/crawling, talking, and lifting up to 25 pounds.

Vision requirements: Ability to see information in print and/or electronically.

Date: 12/15/2011
