Auburn University Job Description

Job Title: Mgr, Vet Practice Operations
Job Code: IC28
FLSA status: Exempt

Job Summary
Manages the non-clinical operations of a veterinary medical clinic to include daily operations, financial monitoring, and full supervision of the support staff for the facility.

Essential Functions

1. Manages the daily business operations of a veterinary medical clinic to include, but not limited to, monitoring patient flow and practice operations, establishing/improving the clinic structure and processes, developing and administering operational policies and procedures, inventory management, and monitoring financial transactions and clinical activity reports and processes.
2. Manages all billing and collection procedures, to include appropriate coding, and ensures that staff are trained and educated in all regulatory procedures and practices regarding medical coding and billing. Responsible for the safe handling and processing of all bank deposits.
3. Oversees and is responsible for data collection and conducts analysis of data in order to advance programs/service development and expansion, strategy development, priority identification and program planning. Evaluates public awareness and marketing needs for the clinic with the College of Veterinary Medicine marketing team and implements strategies to increase patient load.
4. Monitors delivery of patient services to include forecasting and preparing for all changes needed or impacted by patient load and billing/collection procedures.
5. Develops processes to monitor and analyze the productivity, patient satisfaction, and financial data for the site and communicates findings to administrators.
6. Serves as the primary point of contact for site related issues, complaints, service delivery, and special events.
7. Interprets, executes, and ensures compliance with related established local, state, and federal laws.
9. May perform duties related to payroll, personnel actions, or similar procedures.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
