Auburn University Job Description

Job Title: Spec, Compliance

Job Code: KC07

FLSA status: Exempt

Level I Unclassified
Level II Unclassified
Level III Unclassified

Job Summary
Performs compliance risk assessments, assessments of the university's processes, controls, organizational structure, reporting, and testing compliance activities.

Essential Functions

1. Assists in overseeing and implementing necessary procedures needed in order to assess the university's risks in compliance areas. Provides development guidance and assistance in the identification and maintenance of University-wide policies and procedures.

2. Provides necessary training to employees across the university, who are charged with overseeing specific compliance areas, to perform required risk assessment.

3. Reviews compliance areas to determine whether required training and documentation is being maintained effectively and efficiently.

4. Helps with identifying and recommending corrective actions in the areas needed for the university to comply with federal sentencing guidelines.

5. Develops appropriate compliance methodologies for these regulations as well as monitoring strategies.

6. Conducts compliance testing and audits.

7. Assists in the maintenance of the compliance office's database/web application used to store university relevant laws and regulations.

8. Serves as a resource to University academic and administrative units as needed to consult, evaluate, and remediate issues related to compliance.

9. Maintains current knowledge of applicable federal and state laws.

10. May manage Auburn University's interface with the State Ethics Commission to ensure required employees are properly notified of their responsibility to submit annual disclosures.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
