Auburn University Job Description

Job Title: Dir, Development Accounting
Job Code: KD05
FLSA status: Exempt

Job Family: No Family
Grade 39: $90,800 - $151,300

Job Summary
Reporting to Associate Vice President of Advancement Operations, the Director of Development Accounting serves as an Assistant Treasurer for the AU Foundation and AU Real Estate Foundation. The Director is responsible for the leadership, management, and oversight the fiscal operations, tax compliance, budgeting and foundation payment services, and internal controls over financial reporting for two institutionally related foundations and the Auburn University Office of Development. The foundations are established under Sections 501(c)(3) and 170(c)(2) of the Internal Revenue Code.

At the time of this writing, the Development Office is responsible for a development budget of approximately $30 million covering 60 different organizations (central and campus constituencies). Total assets for the 501(c)3 entities are over $800 million with an average of annual revenue $60 million requiring separate reporting, tax returns, and audits. Total philanthropic gifts raised for AU and affiliated entities has averaged $147 million over the past 4 years.

Accordingly, this position is appointed to transact business on behalf of the two foundations. Responsible for communicating the implications of global and unit-level decisions on all matters related to accounting and finance, philanthropic gifts, strategic planning, and budgeting to various leaders and stakeholders, including but not limited to, Foundation Directors, Advancement Executive Leadership, Deans, financial liaisons, and other unit leaders.

Essential Functions

1. Provides substantial support to the Sr. VP for Advancement, VP for Development, President of AU Foundation and AU Real Estate Foundation and respective foundation boards regarding financial, tax compliance and budgetary matters, including preparing and presenting high-level briefings.

2. Responsible for the accurate, timely, and compliant financial accounting systems, policies and procedures. Includes the accounting for the receipts and expenditures of all funds and the reporting of financial and operating results to executive leadership, boards, external agencies and stakeholders.

3. Responsible for the certifying the design, implementation, maintenance of internal controls, and accounting systems relevant to the fair presentation of the financial statements, footnotes, and supporting schedules, in all material respects.

4. Responsible for the annual external audit engagements and tax compliance for two institutionally related foundations and ensures the independent CPA firm is provided with all requested documentation to opine on the financial statements and file the respective tax returns.

5. Through subordinate leadership, oversees the coordination and preparation of the annual operating budgets of the Office of Development and the foundations for approval by the Sr. VP for Advancement / Foundation President and the Foundation Boards.

6. Through subordinate leadership, directs the preparation and reporting of surveys and special reports of the philanthropic activities of Auburn University and its institutionally related foundations for various sources such as Council for Aid to Education (CAE), Council for Advancement and Support of Education (CASE), IRF, Education Advisory Board (EAB) and other external reporting purposes consistent with the guidelines of the requesting agency or organization.

7. Provides principal advice and guidance to the Deans, Directors and Fiscal Managers across the
