Auburn University Job Description

Job Title: Endwmnt Investment Analyst
Job Code: KD08
FLSA status: Exempt

Job Summary
Provides analysis and monitoring of portfolio manager and investment consultant performance, asset allocation, risk management, and overall market conditions in support of the endowment pools of Auburn University and Auburn University Foundation.

Essential Functions
1. Performs ongoing due diligence on AU's total endowment pool investment performance and endowment fund managers, analyzing investment performance and investment manager operations.
2. Performs risk management and price testing.
3. Calculates and posts annual financials (pool earning distribution, management fees, etc) relating to AU and AUF endowment pool earnings.
4. Prepares, updates, and maintains a wide variety of investment worksheets for internal monitoring and review by external auditors.
5. Acts as a liaison between Auburn University Office of Development, its related entities, and brokers to facilitate the receipt and sale of security gifts from donors.
6. Originates and gathers a variety of reports, documents, and agreements to be utilized by university constituents, outside agencies, and other relevant parties.
7. Assists in audits, attends committee meetings, and provides overall support to the Endowment Investment Office as needed.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
