Auburn University Job Description

Job Title: Computer Ops Sup Spec
Job Code: MC01
FLSA status: Non-exempt

Job Summary
Provides specialized support for operations of all equipment in computer room, including peripherals, mini-computers, computer servers, and network equipment.

Essential Functions
1. Performs computer room operations tasks including operating/monitoring mainframe, servers and other network consoles.
2. Monitors execution of job streams on host computers, and maintains related logs and records.
3. Performs troubleshooting; escalates more complex job completion or other computer operation issues to more experienced specialists.
4. May initiate contact with server/job owners regarding job completion issues and resolution.
5. Handles materials and supplies.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
