Auburn University Job Description

Job Title: Heavy Equipment Operator

Job Code: NB44

FLSA status: Non-exempt

Job Summary
Operates complex heavy equipment engaged in the construction and maintenance of campus properties. Equipment operated may include, but is not limited to, backhoe, trackhoe, excavator, telehandler (lull), tractor, bulldozer, roller, compacter, front-end loader, and vehicles requiring a CDL for operation.

Essential Functions

1. Depending on area of assignment, operates a variety of heavy construction equipment in the preparation of sites, performance of excavations, establishment of grades, and resurfacing of fields and other surfaces.
2. Maintains and repairs campus streets, facilities, and fixtures as needed.
3. Provides heavy equipment support needs for projected and active projects.
4. Loads and transports materials from one location to another.
5. Participates in the construction, renovation, and restoration of landscapes, grounds, streets, and other properties disturbed or altered by service operations.
6. Cleans and maintains storm drains throughout campus.
7. Participates in work-site safety set-up to include, but not limited to, setting barricades and cones, prepping for excavation, assisting with utility locations, and performing traffic control in accordance with uniform work-zone safety standards.
8. Assists in the manual and technical aspects of construction, maintenance, and repair activities when not operating heavy equipment. May operate equipment to assist other trades as needed.
9. May be required to serve in an on-call status and remain work-ready when scheduled for an on-call period or rotation. Work-ready status requires an employee to return to the worksite within forty-five minutes while being physically and mentally unimpaired and fit for duty, able to safely perform all essential job functions with no risk to self, coworkers, students, public, or property.
10. This classification is subject to emergency standby and callbacks and incumbents must be willing and able to work scheduled shift and overtime on nights, weekends, and holidays as required.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
